For background in this matter, subject James P. Wickstrom, is a National Christian Identity Leader who resides in the Bay City Resident Agency territory. Christian Identity is a hate-filled religious sect descended from British Israelism which has come to dominate much of the leadership of the extreme right in the United States. Among its' beliefs are the notions that Jews are descended from Satan and that non-white races are inferior.

The most famous Christian Identity group is the Aryan Nations; however, the religion can be found among groups ranging from Klan organizations to the Montana Freeman. It is reported that the sect has approximately 30,000 to 60,000 believers, but is disproportionately influential in the extreme right. Christian Identity believers tend to be among the most radical and committed members of the Anti-Government Extremist Movement.

Wickstrom has a limited but national following who listen to his weekly radio broadcasts on the Turner Radio Network and on Midland Public Television. The Anti-Defamation League described Wickstrom as an extreme hatemonger who uses Christianity to justify racism and anti-Semitism.

Also attending the October, 2002, meeting was James Nichols, the brother of convicted Oklahoma City bomber Terry Nichols. The Flint, Michigan, Journal newspaper (02/09/2003) published a front page article about Nichols having attended Wickstrom's October meeting. During the Oklahoma City bombing investigation, information was developed indicating that Terry Nichols experimented with explosives on the James Nichols farm near Decker, Michigan.

Wickstrom also travels throughout the country and was a featured speaker at the Aryan Congress in Pennsylvania from 07/26-28/2002. During this Aryan Congress, Wickstrom gave another fiery speech in which he declared that there isn't a Jew that deserves to live for what they have done to the white race. Wickstrom encouraged all the separate white supremacy groups to

It should be noted that in April, 2003, the U.S. Supreme Court ruled 6 to 3 that a burning cross represents an instrument of racial terror so threatening that it overshadows free speech rights. Further investigation may reveal whether additional cross burnings have occurred and whether that act violated any state or federal laws.

Based on the information contained herein, a Preliminary Investigation was initiated due to the possibility that criminal activity existed. The scope of the investigation was for the purpose of identification, ascertaining any connection to terrorist activities, and/or for asset development.

On 10/14/2004, the Bay City newspaper reported that Wickstrom has taken on a national leadership role with the Aryan Nations Group based in Pennsylvania. A news release from the Aryan Nation said that Wickstrom was picked to lead the group because he is the most knowledgeable in Racial Identity teaching, is the most feared and the most hated by the enemies of the Aryan Nation.

In view of the information herein, this investigation is requested to be reopened.

It should be noted that in April, 2003, the U.S. Supreme Court ruled 6 to 3 that a burning cross represents an instrument of racial terror so threatening that it overshadows free speech rights. Further investigation may reveal whether additional cross burnings have occurred and whether that act violated any state or federal laws.

Based on the information contained herein, a Preliminary Investigation was initiated due to the possibility that criminal activity existed. The scope of the investigation was for the purpose of identification, ascertaining any connection to terrorist activities, and/or for asset development.

On 10/14/2004, the Bay City newspaper reported that Wickstrom has taken on a national leadership role with the Aryan Nations Group based in Pennsylvania. A news release from the Aryan Nation said that Wickstrom was picked to lead the group because he is the most knowledgeable in Racial Identity teaching, is the most feared and the most hated by the enemies of the Aryan Nation.

In view of the information herein, this investigation is requested to be reopened.

Physical surveillance was conducted near the suspected residence of James Paul Wickstrom at 308 W. Benjamin St., Linwood, MI 48634. The house at the above address is a two-story structure with white siding and a front porch that runs the full length of the Southern face. Parked in the driveway on the West side of the home was a maroon four-door Mercury sedan with Michigan license plates, BAV 8953. A records check of the Michigan Secretary of State databases returned the following registration information about the vehicle:

Year: 2008

To: Pastor James P. Wickstrom & Congregation

It is with a heavy heart and contriteness that we come before you today because the House of Israel has a problem which must be made known and cannot remain hidden.

The problem arose several months ago and was brought to the attention of [REDACTED] The problem concerned the relationship between Pastor James P. Wickstrom [REDACTED] Information was received from various sources informing us [REDACTED]

Acting upon this information [REDACTED] went before Pastor Wickstrom and discussed this matter with him [Read Matthew Chapter 18, verses 15-16] and brought the Law dealing with this situation before him. [Read Deut. Chapter 24, verses 1-4 and Matthew Chapter 19, verses 7-9]. Pastor Wickstrom was told that if this was indeed the situation that we could not sanction it as it was a direct violation of Yahweh's Law. Both [REDACTED] were told by Pastor Wickstrom that

b6
b7c

[REDACTED] We as Pastors and as brothers of the faith agreed to this before Yahweh as our witness.

Sadly and unfortunately this has not been the case. We find fault with this and are bringing it to your attention because Pastor Wickstrom is our brother and we love him and enjoy that which he teaches and brings forth. Never the less the Law, Yahweh's Law must stand.

The Law is the strength, the power, the backbone of Israel. It has not been complied with, therefore we, as Pastors and Watchmen, bring this before you pursuant to the instructions of Yahweh as given in Matthew, Chapter 18, verses 17-20.

One cannot say by his mouth that he stands for the Law and then goes forth and destroys the Law. That is a false teaching.

This situation has gone on for a period of time now - unchecked. Yahweh is not a respecter of persons and does not place one Pastor above another. Yahweh expects all of His teachers to comply. First with the Law, for that is what we are teaching.

[redacted] had this matter brought to his attention just recently and immediately brought this to our attention and the three of us now bring this before the congregation.

It is our prayer that Pastor Wickstrom will come forth and acknowledge his indiscretion and error in judgment so we can forgive our racial brother and kinsman and move on as a congregation in the studying of the Scriptures and the Law.

SOUTHERN POVERTY LAW CENTER: Promoting Tolerance, Monitoring Hate, Seeking Justice.

Promoting Tolerance

Teaching Tolerance is an education program dedicated to helping teachers across the nation foster respect and understanding among their students. Its award-winning *Teaching Tolerance* magazine provides practical ideas for promoting an appreciation of diversity and the values of democracy and is distributed free twice a year to more than 500,000 educators. More than 300,000 of the program's video-and-text kits and anti-bias handbooks have been distributed free of charge to schools and community groups across the country.

Tolerance.org is a Web project that awakens people to the problems of hate and intolerance, prompts them to action and encourages them to dig deeper.

Monitoring Hate

The Intelligence Project monitors more than 700 hate groups and tracks extremist activity throughout the United States. It provides comprehensive updates to law enforcement, the media and the general public through its quarterly magazine, *Intelligence Report*. Staff members regularly conduct training for police, schools, and civil rights and community groups.

The Center, in partnership with a major university and the Federal Law Enforcement Training Center, offers an Internet hate crime training course for law enforcement officers throughout the nation.

Seeking Justice

Center attorneys handle innovative cases that few lawyers are willing to take. They fight all forms of discrimination and work to protect society's most vulnerable members. Several of the Center's cases have reached the U.S. Supreme Court, and many have resulted in landmark rulings.

The Center uses novel legal strategies to combat hate groups by suing them for the violent actions of their members. Its victories against several notorious Klan and neo-Nazi groups effectively shut down their operations.

The Center never accepts money from those it helps, and it receives no government funding. Its work is supported by thousands of committed individuals.
